Our Vision

Our vision is to provide quality treatment, support and rehabilitation in a homelike environment, seven days a week, twenty-four hours a day.

Unit Description

The 88 staff in Moss Grove Village are dedicated to providing comprehensive therapeutic treatment to the 134 individuals we serve that are entrusted in our care. The living areas of Moss Grove Village include 31E, 31W, 32N and 32S. We strive to ensure a timely transition to the community in a manner proven to be customer driven, cost effective, outcome oriented, and community integrated within three to five years.

Advocacy

Each individual is assigned an advocate on each shift. The advocate meets with each individual weekly to review attendance at all treatment activities, and any concerns or needs.

Visitation

Hours: 8:00 a.m. – 8:00 p.m.

Contraband: Tobacco products, lighters, cameras, recording devices, money, items made of glass.

Food: Bring just enough for one meal or snack.

Vehicles: Individuals served cannot ride in your vehicle on grounds.

Service Treatment Teams

- Each Individual is part of a multidisciplinary service planning and recovery team. Each team includes a psychologist, nurse, social worker, rehabilitation staff, a direct care staff member, and others as needed to assure quality of care and treatment.
- Goals are tailored to reflect the unique strengths, needs, and preferences of the individuals we serve.
- Service plans are designed to support the goals of individuals while delivering comprehensive treatment services to prepare them for a timely transition into the community.
