Our Vision

Our staff at Oakridge Village envisions a just, humane and healthy society in which all people are accorded respect, dignity and the opportunity to achieve their full potential through meaningful social inclusion that is free from discrimination.

Unit Description

Oakridge Village is a 120 Bed unit, consisting of four living areas, 9, 10, 15 and 17, that are made up of three male Units and one female Unit. The individuals we serve live in a residential setting that delivers twenty four hour treatment and support for various psychiatric diagnoses.

Advocacy

Each individual is assigned an advocate on each shift. The advocate meets with each individual weekly to review attendance at all treatment activities, and any concerns or needs.

Visitation

Hours: 8:00 a.m. – 8:00 p.m.

Contraband: Tobacco products, lighters, cameras, recording devices, money, items made of glass.

Food: Bring just enough for one meal or snack.

Vehicles: Individuals served cannot ride in your vehicle on grounds.

Service Treatment Teams

- Each Individual is part of a multidisciplinary service planning and recovery team. Each team includes a Psychologist, Nurse, Social Worker, Rehabilitation staff, a Direct Care staff member, and others as needed to assure quality of care and treatment.
- Goals are tailored to reflect the unique strengths, needs, and preferences of the individuals we serve.
- Service plans are designed to support the goals of individuals while delivering comprehensive treatment services to prepare them for a timely transition into the community.
