

Tournament Information

The 20th Annual Mental Illness Awareness Golf Tournament is hosted by the Friends of NEFSH, Inc. a non-profit 501 (c) (3) charitable organization. All proceeds are used to enrich the lives of the people in recovery at Northeast Florida State Hospital (NEFSH).

Northeast Florida State Hospital annually serves over 800 seriously mentally ill individuals whose needs cannot be met in community based programs. Treatment is person-centered, focusing on the needs and goals of each individual.

The NEFSH mission is to provide quality programs and services that promote the successful return of individuals to community living.

Your sponsorship and support will provide educational materials, recreational supplies, music equipment and quality of life enhancements to the individuals served at NEFSH.
